

Main bearings: T3 Segment - Double-row full complement cylindrical roller bearings

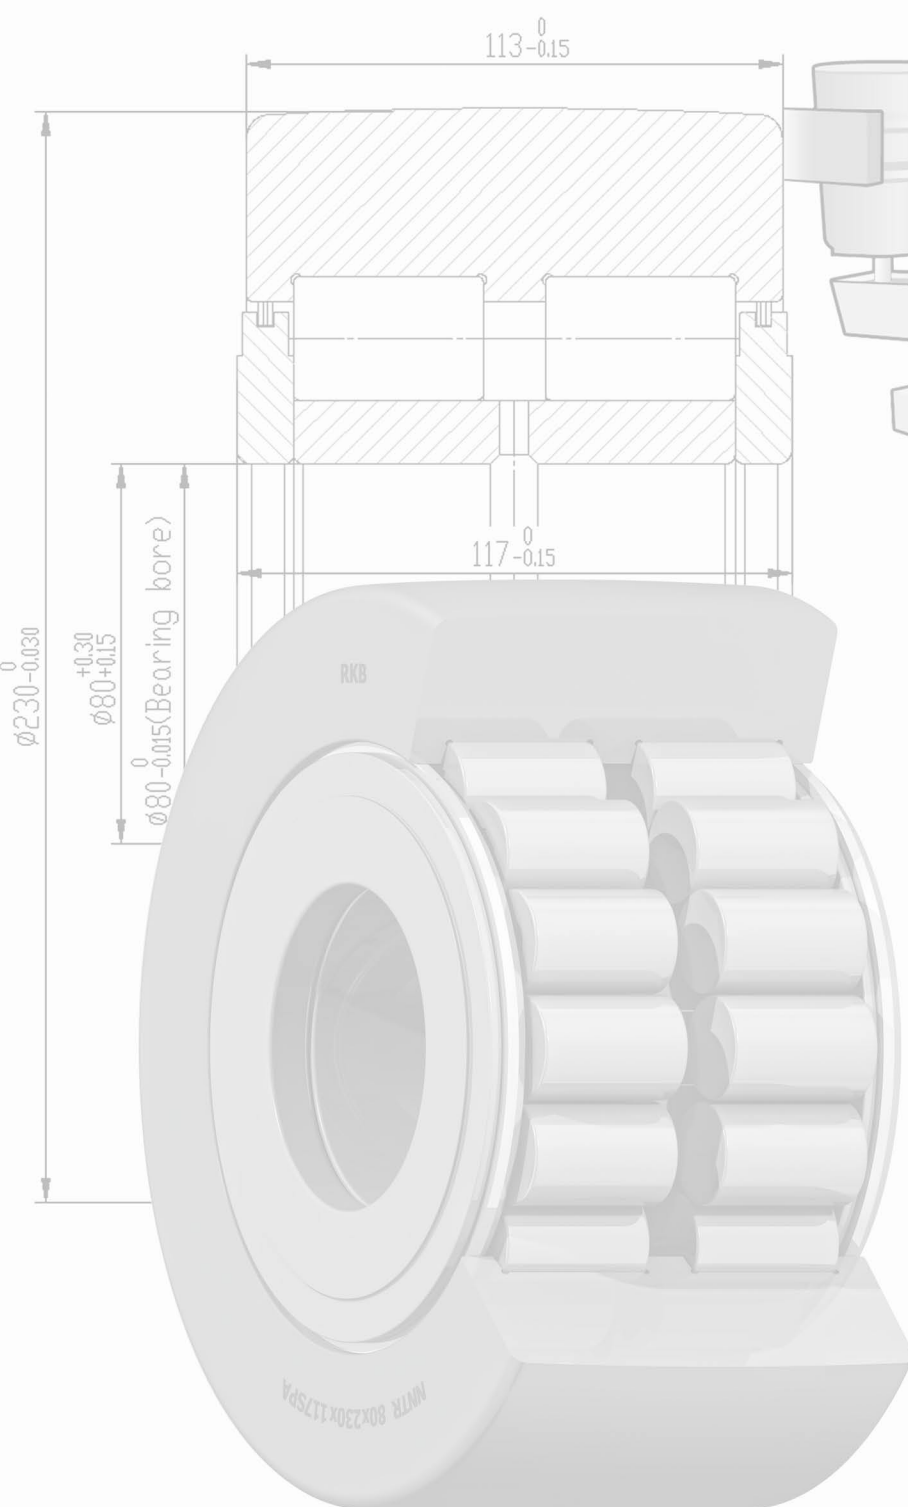

RKB
BEARING INDUSTRIES

Project 'NNTR/SPA'
Slab conveyor chain of hot strip mill

Main bearings: T3 Segment - Double-row full complement cylindrical roller bearings

$C_r > 750 \text{ kN}$ according to ISO 281

Anti-Wear Technology (AWT) for extended service life

Bainite Treatment for outer rings (HB2)

Reinforced execution

Project 'NNTR/SPA'
Slab conveyor chain of hot strip mill
